## OFF-GRID SOLAR POWER SYSTEM #3

SOLAR ARRAY	3.12 kW
USABLE BATTERY STORAGE	14.4 kWh
INVERTER CAPACITY	4 kW

SYSTEM DETAILS / INCLUSIONS
<ul style="list-style-type: none"> <li>* 3.12kW PV array comprising 12 x 260W Jinko solar panels - 25 year performance warranty, 10 year defects warranty</li> <li>* Tilt frame mounting system to suit 2 rows of 6 panels. AS1170 certification for wind loading, 10 year warranty</li> <li>* Narada REX series 800Ah sealed lead-acid battery bank comprising 24 x 2V cells (48V), racking and cables Total storage capacity: 48kWh, Maximum recommended depth of discharge: 50% (24kWh capacity) - occasionally use Regular daily discharge of 30% or less (14.4kWh capacity) will give a life expectancy of around 10 years</li> <li>* Custom made wooden battery enclosure</li> <li>* Schneider SW4024 inverter/charger AC output: 3.4kW continuous rating, 4kW 30 minute rating DC output: (battery charger) up to 90A @ 24V when connected to generator supply - 2 year warranty</li> <li>* Schneider XWMPPT60-150 60A solar charge controller - 5 year warranty</li> <li>* Victron remotely mounted battery monitor for accurate state of battery charge display located in house</li> <li>* Basic main AC switchboard located next to inverter with generator input, inverter output circuit breakers, RCD safety switch 1 x power and 1 x light circuit breaker, double 240V socket outlet and 1 x 30W LED light overhead</li> <li>* All associated cabling, switches, circuit breakers, fuses, enclosures etc.</li> <li>* Full installation, wiring &amp; programming in accordance with Australian Standards &amp; Clean Energy Council guidelines</li> <li>* Certificate of Compliance for electrical work</li> <li>* 2 year installation labour warranty</li> <li>* Comprehensive system documentation</li> </ul>

PRICE	
Materials & labour exc. GST	\$ 25,000
GST	\$ 2,500
<b>TOTAL PRICE</b>	<b>\$ 27,500</b>
Less discount for assignment of STCs (Small-scale Technology Certificates) to Bayly Solar	-\$ 2,090
<b>TOTAL OUT OF POCKET EXPENSES</b>	<b>\$ 25,410</b>

PAYMENT TERMS / CONTRACT CONDITIONS				
<ol style="list-style-type: none"> <li>1) Indicative pricing only. Subject to confirmation upon site inspection and system design check</li> <li>2) Deposit of \$8470 shall be paid to Bayly Solar upon acceptance of this quotation or 2 weeks prior to commencement of installation</li> <li>3) Second installment of \$8470 shall be paid to Bayly Solar upon commencement of installation and once all solar equipment has been delivered to site</li> <li>4) Final installment of \$8470 shall be paid to Bayly Solar upon completion of installation and full system commissioning</li> <li>5) STC assignment to Bayly Solar shall be signed upon completion of installation and full system commissioning The discount amount associated with the STC assignment is calculated at the market price of \$38 per STC which was accurate on the date of quotation. Should the STC price differ from this by more than 10% by the day of completion of the installation, or government changes are made to the STC scheme which affect the value of the STCs then the discount amount will be re-calculated and adjusted accordingly</li> </ol>				
I, _____, agree to the terms and conditions of this quotation and wish to proceed with the installation
